SHORT-TERM

SOLUTIONS

Volunteer with or donate to organizations that fight hunger such as Second Harvest Food Bank or Rise Against Hunger (our Winter Service Project partner).

Organize a canned food drive or meal-kit build with your scout troop, team or faith community.

Share food with a hungry neighbor, friend or community member.

LONG-TERM

SOLUTIONS

Advocate. Write a persuasive letter to an elected official expressing your concern about hunger or in support of anti-hunger legislation. Visit our website for tips.

Raise awareness. Write a letter to our local paper, *The Almanac*, about hunger, its causes, and what we can do as a community to fight back. Learn more at www.laentradapt.org/fight-hunger
