Children	Name	Grade	Teacher

The PTA provides the following programs and benefits for your student:

- | | | |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <ul style="list-style-type: none"> • School Directory • Weekly Newsletter • Informative Web Page • Hot Food Program • Grade-Level Gathering • Lunchtime Enrichment | <ul style="list-style-type: none"> • Halloween Event • Holiday Faire • Family Picnic • Geo Bee • Spelling Bee • Science Fair | <ul style="list-style-type: none"> • Informational Meetings • Teacher Appreciation • Fundraising for Library • Fundraising for Art • Community Service • Tutoring |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

Activities		Qty.	\$
Basic Membership	The basic membership is used to fund most PTA programs and services. Please join the PTA to cover the cost of the above benefits. The cost to provide these benefits totals approximately \$48 per student per year. \$48 x # of students _____ = _____		
School Directory	The cost of the school directory is essential to maintain the current format and quality and to ensure that all La Entrada families, teachers, and staff members receive a copy: Cost: \$7.50 per directory		
Field Trips	NEW THIS YEAR! Now, the teachers can rely on funds to take students in each grade level to enriching, curriculum relevant field trips. The PTA has committed to provide the funding necessary for one or more field trips per grade level. Cost: \$15 per child		
Holiday Faire	All La Entrada students participate in this traditional craft-making event. Children create several holiday items to give as gifts. Many children consider it to be "the most fun day of school." Cost: \$8.00 per child		
Friends of the Library	State funding for library materials has dropped from \$28 per student to \$.70. The average cost of a library book is now over \$20.00. Please help our library continue to provide excellent resources for our students. Suggested donation: \$20.00		
Additional Contribution	Your generous additional contribution will help fund outreach programs and allow us to continually meet the needs of the many programs and activities the PTA sponsors throughout the year. Thanks in advance!		
Total	Please make check out to <i>La Entrada PTA</i> and return it to the membership box in the school office or mail to Robin May, 2191 Camino de las Robles, Menlo Park, Ca 94025. Thank you!
