Agenda Item: Consent Agenda - Motion to Move Expense to Reserve Fund
ACTION: Review for Vote

As recommended by the Executive Board, this request is to recategorize a Visual Arts Showcase expenditure of \$181.87 (for art mats) as a Reserve Fund expense. The Reserve currently sits at \$15,029.82 (accumulated from prior years' surplus income). These art mats will be used to frame Visual Arts Showcase entries year over year, therefore, the Executive Committee deems them an appropriate use of Reserve funds.
